Don't approve a cleanup plan that may hurt jobs because it is so expensive.

If the EPA approves a big, expensive cleanup, I am worried that it will lead to higher costs for small companies and Portlanders. We have utilities who will pay part of the cost and I'm worried a big cleanup bill would lead to higher utility bills.

As you consider all the options, please don't support a plan that costs a lot of money and will force small companies to spend a lot on the cleanup.

Sincerely,
